

books do they have together?

A: Let's think step by step.

Q: Keith has 20 books. Jason has 21 books. How many books do they

have together?

A: Let's think step by step.

Q: Keith has 20 books. Jason has 21 books. How many

..... Keith has 20 books and Jason has 21 books. We can add up the number of books they have: 20 + 21 = 41 books. So, they have 41 books together.
