**Template:** "The vehicle is a {color and type of vehicle} with {make and branding details}. It has a {state the number if visible} license plate. The vehicle shows [any visible damage or unique modifications], and it includes {any accessories or customizations}. The lighting is {on/off}."

(a)

(b)

"The vehicle is red and appears to be a hatchback. There is no clear make and model visible from the back. The license plate is partially obscured but reads KQQ819. The car has a rearview mirror attached to its side. The lights appear to be off.

"The vehicle is a silver hatchback with Hyundai branding visible on its front grille. Its license plate is obscured by a white box. There are additional features such as mirrors or windshield wipers. Headlights and other lighting components appear off."

"The vehicle is a white hatchback with HYUNDAI branding visible on its rear panel. Its license plate is partially obscured but appears to be black with white lettering. The lighting status cannot be determined from the given information."
